PROCLEAN:

Superconcentrate industrial strength floor cleaner that will not harm your floor or floor finish. Three ounces cleans 1,000 square feet! 5 gallon container holds 224 applications—just 33 cents an application. Use on a regular basis (at least once a week) to keep your floor looking clean and hygienic.

PROCLEAN NS

Keep your floors clean, hygienic, and non-slip with Proclean NS. This super-concentrate industrial strength floor cleaner with slip resistance formula should be used on a regular basis (at least once a week) and will not harm your floor or floor finish. The Proclean NS will clean 1,000 sq. ft. for two months with weekly cleanings.

SLIP NOMOR 2000C:

The improved "liquid rosin." Concentrated formula.

A non-slip solution that adds a slip-resistant surface to all floor surfaces, including wood, tile, vinyl, and linoleum. The perfect substitute for rosin (which is not recommended for vinyl floors). Will not damage any surface. You control the degree of non-slip simply by adding water. One gallon makes approx. 14-20 gallons.

SLIP NOMOR CLEANER

All purpose floor cleaner to be used in conjunction with Slip NoMor Maintenance System and Tap Armor products. May also be used separately. This cleaner contains solids from the finish to help fill in micro-scratches. Can be used on wood, vinyl and any floor surface. The 1.3 gallon bottle will provide 52,000 SF of coverage.

TAPEMATE

Eco-friendly, water-based cleaning solvent to remove adhesive from floors

Newly reformulated, Tapemate will remove tape and other adhesives plus cleans hard to remove scuffs, stains and dye marks without damaging the floor. It is eco-friendly, VOC-free and nonflammable. The water-based solvent leaves no residue and works on all vinyl and non-porous floor surfaces.

WIPEOUT

Newly improved grime removing formula in a convenient pump spray bottle

The new eco-friendly, easy to use Wipeout is ideal for removing dye and scuff marks. Its improved formula penetrates, loosens, breaks down and dissolves many unwanted stains from all vinyl and non-porous surfaces. Not effective on aluminum compound tap residue.
