

MAINTENANCE

For Architects,
Specifiers and
General Contractors

Special Features

- 1/4 the maintenance time
- Maintains slip resistance
- Makes clean up easier
- Extends the life of your floors
- Works on virtually any surface

CAUTION: SENSITIVE TO COLD WEATHER

All Slip NoMor products are sensitive to cold. Store at room temperature to prevent failure.

*Slip NoMor Finish has a shelf life of 9 months.

"Eco-friendly" products meet one or more of the following criteria: recyclable, reusable, made from recycled post consumer materials, made from renewable sources, made from managed forests, packaged in recyclable containers, made from recoverable waste materials or have no VOC's.

SLIP NOMOR FLOORCARE KIT

SLIP NOMOR FINISH

Two 1.5 gallon (5.5 liter) bottles

Revolutionary, water-based poly urethane finish made specifically for dance and athletics with a focus on:

- slip resistance
- speed controllability
- reduced scuffing
- easy application

Needs to be reapplied once every two years under most conditions.* Choice of vinyl or wood surface formulas. Vinyl floor formula compatible with laminate flooring.

SLIP NOMOR STRIPPER

One 1.3 gallon (5 liter) bottle

Heavy duty stripper/cleaner prepares floor for Slip NoMor Finish application.

SLIP NOMOR CLEANER

One 1.3 gallon (5 liter) bottle

New and improved Slip NoMor cleaner for use on both finished and unfinished surfaces. This enhanced formula combines slip resistance and speed control with cleaning everyday build up of dirt and grime. Note: Multiple applications required to increase slip resistance.

SLIP NOMOR FINISH SYSTEM

Vinyl or Wood Floor Kit Option

Both kits include:

- Cleaner/Stripper: one 1.3 gallon (5 liter) bottle
- Finish: two 1.5 gallon (5.5 liter) bottles
- Weekly Slip NoMor Cleaner: one 1.3 gallon (5 liter) bottle
- Applicator: one tool

SLIP NOMOR 2000C

The improved "liquid rosin." Concentrated formula.

A non-slip solution that adds a slip-resistant surface to all floor surfaces, including wood, tile, vinyl and linoleum. The perfect substitute for rosin (which is not recommended for vinyl floors). Will not damage any surface. You control the degree of non-slip simply by adding water. One gallon makes approx. 14-20 gallons.

IMPORTANT NOTES

Slip NoMor Cleaner

Slip reducing cleaner is used to clean floors that have Slip NoMor vinyl finish, and can also be used on the items listed above as a slip reducer/cleaner combo. When used this way, slip resistance will increase after each application. Several applications may need to be applied consecutively in order to realize maximum results. Once desired results have been reached, weekly cleaning with Slip NoMor Cleaner will maintain results. Cleaning with any other agent will remove affect.

Slip NoMor Cleaner for Wood

Slip NoMor for wood is only for use with Slip NoMor wood finish kit, and customers who have Slip NoMor wood finish on their floors already. This cleaner helps maintain the wood finish, but does not provide any additional slip resistant effects, and should not ever be used on any other floor surface.

SLIP NOMOR COLOR

Renovate a floor without replacing it. Slip NoMor Color is a floor finish that can change the color, design, and look of any existing floor.

- Refresh existing color
- Hide stains and marks with color
- Introduce a new color
- Match production design, logo and/or school color

Available in 10 basic colors and over 200 special order colors, Slip NoMor Color can help design a logo, form a pattern or create the yellow brick road. The possibilities are limitless.

All Slip NoMor Systems are eco-friendly, easy to apply, and last up to two years. No other finish does as much and lasts as long.

SLIP NOMOR SAFETY SYSTEM

Change your existing surface into a commercial grade safety floor. Works on virtually any solid surface, increasing the coefficient of friction to American Disability Act levels. Ideal for entrance areas,

hallways, and anywhere slip and fall is an issue.

- Works on virtually any solid surface
- Increases coefficient of friction to American Disability Act levels
- Can be used in entrance areas, hallways, and anywhere slip and fall is an issue
- Maintains characteristics even in a wet environment
- Environmentally Friendly
- Recycled Product
- Not for use on dance surfaces
- Additive must be combined with Slip NoMor Finish or Slip NoMor Color Finishes
