

FLOORING SURFACES

WOODSTEP COLLECTION

For Architects,
Specifiers and
General Contractors

Special Features

- Heavy duty
- It really looks and feels like wood without the high maintenance expense
- Excellent for commercial and home use
- Life expectancy: up to 18 years
- Guarantee: 7 years against wear

Slightly textured, heavy duty surface. Exceptionally realistic wood design combines form and function. Resists wear and tear. Woodstep is used in conjunction with floating wood subfloor. Woodstep Plus and Woodstep Ultra can be installed directly over slab.

ACTIVITY

Recommended for ballet, tap, jazz, modern dance, aerobics, jazzercise, martial arts, step and virtually all movement activities. Defective taps can cause scratches which will show because of the wood grain. Great for dance, multi-purpose, athletics and fitness. Woodstep Plus and Woodstep Ultra will reduce sound of tap and clogging.

INSTALLATION

Woodstep can be installed directly on a floating wood subfloor or hard wood surface, temporarily, semi-permanently, or permanently. Woodstep Plus/Woodstep Ultra can be installed over existing smooth concrete slab using double-faced tape, adhesive or Re-Use-It. (Slab should be sealed against moisture.)

MAINTENANCE

These acid and food stain resistant flooring systems need to be cleaned with a detergent/degreaser (Proclean) once a week.

WOODSTEP

2.0 mm thick!

Use over floating wood subfloor.

WOODSTEP PLUS

6.7 mm thick!

Installs directly over concrete slab.

WOODSTEP ULTRA

8.0 mm thick!

For high impact installs directly over concrete slab.

See reverse side for flooring specifications and MSDS Ratings.

Woodstep: .080"
2.0mm

Woodstep Plus: .25"
6.7mm

Woodstep Ultra: .33"
8mm

WIDTH & LENGTH

Woodstep:
6.58' x up to 65' = up to 427.7ft²
2m x up to 20m = up to 40m²

Woodstep Plus:
6.58' x up to 57' = up to 375.06ft²
2 m x up to 17.4 m = up to 34.8m²

Woodstep Ultra:
6.58' x up to 49' = up to 322.42ft²
2m x up to 15m = up to 30m²

WEIGHT

Woodstep:
6.5 lbs. per sq. yd

Woodstep Plus:
7.7 lbs. per sq. yd

Woodstep Ultra:
8.5 lbs. per sq. yd

QUALITY STANDARDS

Woodstep Collection is manufactured to meet all the performance requirements of the listed standards:

Europe: EN 649: 1996

USA: ASTM F1913; F1700

Australia: AS2055.1(sheet)

Canada: CSA A126.6

Agrément: G5ws

Use area classification: EN 685: 23/34/43

FIRE RATINGS

ASTM E648-97 E662 C1D28 89

NFPA 253 E662

NFPA 372 258

SLIP RESISTANCE

Class D (dry conditions)

>.60/ASTM D2047 and ADA

DIMENSIONAL STABILITY

Casters OK

Sound Reduction 59 dbs

NOTES

For information regarding handling and installation, adhesives, maintenance, applications and chemical resistance, consult Stagestep/Aeson.

Information on this specification sheet supercedes all materials published prior to June 2008.
